

On Friday 13th October, 2023, the Resident District Commissioner- Rukungiri District commissioned the reconstructed Nyaruzinga bridge which is found in Kahororo Cell, Karangaro ward, Western Division, Rukungiri Municipality.

The Area LC I chairperson Mr. Hudson Tumwesigye thanked the government of Uganda, Rukungiri Municipality leaders led by Mayor Charles Makuru and technical team for the good work done on the bridge.

According to Municipal Engineer, the bridge was reconstructed by Force Account Mechanism where 1800mm and 2100mm diameter culverts were installed and the total project cost Ushs. 41,000,000/=. He thanked RDC, Mayor, politicians and staff for the guidance and support to the project.

Deputy Town Clerk thanked RDC for launching as well as commissioning of the project.

Mayor thanked RDC for having Rukungiri at heart, Municipal Engineer and team for good works and Council for allocating funds to the project.

RDC thanked Mayor and his Council for the proper allocation of funds and urged residents through LC I chairperson to protect it against vandalism and also protect other projects in their area like roads by reporting the sand excavators to relevant authorities for action.
